# W3schools

The screenshot shows the W3schools user profile page. At the top, there's a browser window with the URL `my-learning.w3schools.com`. Below the browser window, a dark blue header contains the W3schools logo, navigation links (My learning, Paid courses, Video tutorial, Spaces, Settings, Billing), and a 'Log out' button. A yellow banner below the header says 'NEW We just launched Spaces. Explore now'. The main content area features a user profile for 'Hil Done' with a grey avatar and a yellow star with the number '0'. To the left of the profile are three colored circles (green, blue, purple). To the right, a table shows the user's progress: TUTORIALS (7 points), QUIZZES (0 points), and EXERCISES (1 point), with a TOTAL of 8 points. Below this, a section titled 'WHAT TO DO?' suggests 'Study a tutorial:' and features a large green circular button labeled 'TUTORIALS'.
